### Volunteer Facilitator Application Form

Volunteer facilitators are an essential ingredient for the success of our parenting support programs. This important volunteer position requires successful completion of 20 hours of initial training; commitment to attend occasional skill building workshops and seminars; participation in monthly or bi-monthly facilitator or Steering Committee meetings and the weekly responsibility of facilitating a Parent or GRG Support Circle. Most groups meet for two hours a week and, in addition, there will be some time spent contacting new and ongoing participants, promoting the circle; and taking care of other organizational details for the group (purchasing snacks, tracking and reporting attendance; carrying out evaluations).
