## Parent Support Circle & Grandparents Raising Grandchildren/Kinship Support Circle

### Volunteer Facilitators needed:

- Become part of a trusted network of volunteers with Parent Support Services Society of BC
- Participate in foundation training: Early 2021
- Continue skill development throughout the program.
- Help those in a parenting role through leading Support Circle discussions.
- During Covid-19, our support circles are offered online!

*We ask our volunteers to commit 3-5 hrs a week for a minimum of 1 year. This allows our facilitators to develop relationships with the support circle participants within the context of the peer support model.*

## Listen - Learn - Empower
