

Listen - Learn - Empower

Support parents in your community.

**Parent Support Services
Society of BC**

www.parentsupportbc.ca

The **Parent Support Circle & Grandparent Raising Grandchildren/Kinship Support Circle** programs on **Vancouver Island** are looking for dedicated **volunteer group facilitators.**

Volunteer Facilitators:

- Become part of a trusted network of Parent Support Services Society of BC volunteers.
- Participate in foundation training. [Next Training - Online - June 2020](#)
- Continue skill development throughout the program.
- Help those in a parenting role through leading Support Circle discussions. During Covid-19 we are hosting our support circles online!

We ask our volunteers to commit 3-5 hrs a week for a minimum of 1 year. This allows our facilitators to develop relationships with the support circle participants within the context of the circle.
