Project Friendship Society is about connecting people isolated because of a Diverse -Ability with community, by creating programs of interest in Art, Music, Recreation and Culture. We work toward having the individuals connect with a person or a group that is likeminded.

We enlighten, encourage, and empower individuals to come out into the community, enjoy events and activities sharing interests. We promote an inclusive community by supporting activities for people with Diverse-Abilities.

We offer presentations to local schools, associations and organizations to establish connections, to educate and to enlist their support and to join in the Project Friendship Society's goal in helping isolated persons while they transition from school to adult life and discover their goals, dreams and gifts.

Over the past 4 years we have worked toward offering Awards and Bursaries for people furthering their education that a) have a Diverse -Ability or b) to work with people that have Diverse Abilities.

At UNBC we offer The Project Friendship Society Award in Memory of Bob and Barbra Harkins Award. At CNC we offer The Rev. Dr. Lance and Pat Morgan Bursary

We offer a genuine, caring and empathetic approach to being present with a survivor, to hear his or her story and to help with the process of moving toward healing. This can include supporting community members during their time attending court, helping to navigate the complexities of the legal system, and helping to find resources that can assist in developing tools for personal wellness. This program supports both Indigenous and Non-Indigenous community members with the challenges that may surface following survival of a crime, including court orientation, victim impact statements, court accompaniment, liaising with crown counsel and the RCMP, providing general court information, and accessing the "Crime Victim Assistance Program (CVAP)". We work collaboratively with and can refer out to counseling, lawyers, multicultural supports, court workers, housing, literacy, human rights complaints services and police complaints services.
